THE CONGREGATIONAL CHRISTIAN CHURCHES

Form — Congregational Christian Churches are bodies of self-governing Christian believers organized on a democratic basis in close association with a great body of similar churches throughout the world, covenanting together for worship, work, and fellowship.

Origin — Congregationalism has been implicit in Christianity from the beginning, but did not emerge in its present corporate form until in England, in the sixteenth century, the pressure of state control of religious worship forced into separate existence that part of the Church in which Congregational principles were cherished.

The Christian Churches originated spontaneously in several parts of the United States in the latter part of the eighteenth century. In each instance the movement was directed toward freedom from excessive ecclesiastical authority over local churches and ministers.

Principles — The Congregational Churches are characterized by their faith in God, their fellowship in Christ, and their freedom in the Spirit.

Practice — Acknowledging Christ as the only authoritative head of the Church, Congregational Christian Churches exalt nothing trivial or sectarian, repudiate dogmatism and all legislative control of the spiritual life, regard a living Christian faith as the only prerequisite for church membership, and seek to develop in the church educational efficiency, evangelistic zeal, and unselfish devotion to the extension of the Kingdom of God.

Achievements — Congregationalism sailed to America in the Mayflower as the church of the Pilgrim Fathers. Settling first at Plymouth, then later fusing with the Puritan colonists that followed them, these founders of Congregationalism spread over New England, and through their democratic ideals laid the foundations for the free church, the free state, the free school, and the free social life of our country. The Congregational Churches have been the pioneer Protestant churches of our nation in the promotion of education, missions, evangelism, and in most movements for Christian union, religious progress, and social reform.

While the Christian Church originated later, and while its numbers and resources have not been so large, its ideals and principles have been identical with those of the Congregational Churches.

The Local Church — The local church is self-administering and is the final arbiter of all questions relating to its own life.

The Association — A church is recognized denominationally by securing membership in some association of churches, usually consisting of from ten to fifty such churches, located in geographical proximity to one another. These associations are charged with the holding of ministerial credentials for ordained ministers and the performance of common Christian service in behalf of their component churches.

The State Conference — The state or district conference is made up of the churches within its bounds holding membership in the several associations. Mutual helpfulness to all the churches, and the carrying forward of church extension and missionary work within its own borders, are the functions of the conference. Usually the conference maintains a paid superintendent and a central office.

The General Council — What the State Conference is to the state the General Council is to the nation, with appropriate variations. The General Council also becomes the unifying agency for co-ordinating the organization and work of the missionary societies. (See following pages.)

GENERAL COUNCIL ORGANIZATION

The General Council of the Congregational Christian Churches was organized on June 27, 1931, at Seattle, Washington, for the purpose of carrying on the functions hitherto performed by the National Council of the Congregational Churches and the General Convention of the Christian Church. The older organizations continue their formal existence for the time being for possible legal requirements. Details of organization will be found on the following pages.

PURPOSE

The purpose of the General Council is to foster and express the substantial unity of the Congregational Christian Churches in faith, purpose, polity and work; to consult upon and devise measures and maintain agencies for the promotion of the common interests of the Kingdom of God; to co-operate with any corporation or body under control of or affiliated with the Congregational Christian Churches and to do and promote the work of these churches in their national, international and interdenominational relations.

FUNCTIONS

As the name indicates, the General Council is a voluntary organization of Congregational Christian Churches. Associated with its function of discussion and inspiration is that of the election of officers and agencies for carrying on the common work of the churches. Specifically, the Council provides for gathering and publishing annually the statistics for the churches as given in this Year Book. For the purpose of stimulating fellowship and of co-ordinating the various agencies, offices are maintained with a small staff of secretaries.

MEMBERS

Each State Conference or similar organization of churches is entitled as such to elect a delegate at large for the first full 5,000 members and an additional delegate at large for each successive 5,000 members or major fraction thereof. The Superintendent of each Conference is *ex officio* a delegate. Each Conference also is entitled to "unit" delegates, elected according to rules set forth in the Constitution to the number of one to every 1,000 members, approximately.

EXECUTIVE COMMITTEE

Between the sessions of the Council an Executive Committee chosen by the Council attends to details of business, arranging and submitting programs for the meetings, and seeks to correlate the administration of the several missionary societies and boards affiliated with the Council in the interest of economy and efficiency. This committee is also the agency for correlating the activities of the several Commissions.

COMMISSIONS

The Commission on Evangelism and Devotional Life maintains an office for service to the churches in the vital field indicated by its name. The Commission on the Ministry together with representatives of the denominational boards constitute the Departments of the Ministry which correlates the varied interests relating to our ministerial personnel. There are several other Commissions, none of them being charged with executive functions to any extent but rather with study and report, each in its own field, with such co-operation with the executive agencies of the denomination as seems feasible.

MISSIONARY SOCIETIES

The American Board of Commissioners for Foreign Missions and the Board of Home Missions of the Congregational Christian Churches have as their controlling membership the members of the General Council itself. Meeting in separate sessions under the direction of their own officers, these societies may therefore usually confirm action taken by the General Council in matters of common concern without further discussion, thus giving unity of operation and making the missionary societies the instruments of the churches themselves.

MEETINGS

Meetings of the General Council are held biennially in the even numbered years.

THE COMMISSION ON EVANGELISM AND DEVOTIONAL LIFE

287 Fourth Avenue, New York 10, N. Y.

This Commission was established by the National Council at Des Moines in 1904 to assist the churches in providing plans and programs for recruiting new members for the church and furnishing the churches material for their use in enriching the devotional life of the people. At the General Council at Grinnell, 1946, the Commission was expanded on the basis of a Committee under the Home Board, with financial support.

It is composed of seven active and twenty corresponding members elected by the General Council and four members from the Home Board and four from the Executive Committee of the General Council and is charged by the General Council to do two things.

FIRST: To bring before the churches the denominational program of evangelism and devotional life.

SECOND: To make a continuous study of methods used by effective churches; to make them known to all pastors; and to provide such other helps to evangelism and devotion as are within its powers.

THE CHURCH YEAR IN EVANGELISM AND WORSHIP

THE DEPARTMENT OF THE MINISTRY

287 Fourth Avenue, New York 10, N. Y.

Chairman — JAMES F. ENGLISH*Director* — FREDERICK L. FAOLEY*Recording Secretary* — CLARENCE S. DUNHAM

Joint Staff: REV. HORACE F. HOLTON, REV. LOY L. LONG, REV. HARRY T. STOCK, Boston, Mass.; REV. BRYANT DRAKE, REV. OLIVER POWELL, Chicago, Ill.; REV. STANLEY U. NORTH, REV. JOHN R. SCOTFORD, REV. FRANK J. SCRIBNER, REV. THOMAS A. TRIPP, New York, N. Y.

The Department of the Ministry was organized by the Congregational Christian Churches in June 1944 to put squarely back of every minister of the fellowship the total strength and helpfulness of the denomination. For the first time in any Protestant denomination all matters relating to the ministry are being coordinated by this Department, that overlapping may be lessened, overlooking prevented and that every pastor may feel the power of the united fellowship back of him in every aspect of his life and work.

Recruiting — The fine work being done by the Education Division in recruiting for the ministry is to be strengthened and enlarged by the Board of Home Missions that the richness of opportunity for growth and for service in the Christian ministry may be effectively presented to young men of outstanding ability.

Guidance — From the day a young man begins to consider the Christian ministry, the denomination through the pastor, the local Association, State Superintendent and the national agencies will be more alert to fellowship, to advise and to assist him.

Placement — The work of finding for young men suitable fields where they will grow and develop in parish ministry, and of assisting all pastors to find the fields of service best fitted for their abilities is being coordinated, strengthened and integrated into a full-rounded program of placement.

Pensions — We have a sound pension agency which needs and is worthy of greatly increased resources. The Annuity Fund officials are considering plans for greatly increasing its resources so that it may better safeguard our ministers in old age.

Salaries — Ministers' salaries are often below the scale of income of men of like training and community responsibility. The lifting of salaries of underpaid men to a better level is on the list of priorities for the Department.

Refresher Courses — More and more, the seminaries and the Pastors' Summer Schools are bringing to pastors the refreshment and inspiration that all need. These opportunities must be extended to include more men who should have such periods of study, fellowship and spiritual uplift.

Continued Learning — The fields of knowledge expand so rapidly and there are so many subjects for which there was not time in the period of formal training, that many men desire and need guidance that may come from well organized and carefully adapted plans for individual and group reading, study and discussion.

Standards — Attention will be given to lifting the standards for the ministry and universalizing the best standards adopted by our General Council and by the several Associations.

In these and other ways the denomination through this Department is coordinating work now being done by various agencies and will enlarge its program of helpfulness to the end that you may come to feel that from the day you first decide to enter the ministry, the denomination, as a whole, is acutely interested in you, stands ready to help you and will be back of you wholeheartedly through all the years of your ministry.

Helpful material for the development of this Department is available from the office of The General Council, 287 Fourth Ave., New York 10, N. Y. (see list in the advertisement section of Year Book).

Timmons, Secretary of Commission on Evangelism; Merle Easton and Mildred Widber, Secretaries of Division of Christian Education of The Board of Home Missions. *Ex officio* — Cabinet Members: Truman B. Douglass, Ray Gibbons, Fred Field Goodsell, Douglas Horton.

Organization

1. *Membership.* The Missions Council consists of the thirty-six elected members together with the President and the Vice-Presidents of The Board of Home Missions, the thirty-six elected members with the President and Vice-Presidents of the American Board and the eighteen members of the Council for Social Action, and the Secretary of the General Council, *ex officio*.

2. *Joint Cabinet.* The work of the Missions Council is administered by the Joint Cabinet, thus providing the Minister with a connecting link to the administrative heads of the National Societies and of the State Conferences.

Article IX of the Rules of the Missions Council provides that the Minister of the Missions Council, the Executive Vice-Presidents of The Board of Home Missions and of the American Board, the Director of the Council for Social Action, the Minister of the General Council, the Associate Executive Secretary who shall be a woman, and one State Superintendent elected by the State Superintendents' Conference as hereinafter provided shall constitute the Joint Cabinet of the Missions Council. This Cabinet meets regularly. It is responsible for formulating promotional plans and policies and is the connecting link between the executive boards and the promotional staff.

3. *Ad Interim Committee.* The Ad Interim Committee is composed of fifteen persons chosen as follows: Two members of the Board of Directors of The Board of Home Missions designated by The Board of Home Missions, two members of the Prudential Committee of the American Board designated by the Prudential Committee, a member of the Council for Social Action, the Chairman of the Missions Council, two State Superintendents elected by the State Superintendents' Conference, and the Chairman of the Women State Presidents. The Minister of the General Council, the Minister and Associate Executive Secretary of the Missions Council, the Executive Vice-Presidents of the Boards, and the Director of the Council for Social Action are corresponding members.

4. *Joint Staff.* The Joint Staff operates under the chairmanship and direction of the Minister and includes the secretaries of missionary education and promotion of the national boards, with two representatives from the Conference of State Superintendents and the Chairman of the Women State Presidents.

Processes

1. *Meetings.* The Missions Council meets ordinarily but once a year. This meeting takes place in connection with the midwinter gathering of the Board of Directors of The Board of Home Missions and of the Prudential Committee of the American Board and the Council for Social Action, thus economizing in time and travel expenses. At the annual midwinter meeting the Survey Committee of the General Council, the State Conference Superintendents, the Women State Presidents and secretaries of the societies sit with the Missions Council in joint session as corresponding members.

2. *Literature.* One of the important functions of the Missions Council is the publication of literature setting forth our entire missionary enterprise.

3. *Field Work.* Under the direction of the Minister the members of the Joint Staff co-operate in a unified program of education and promotion. This work is conducted through the state organizations and endeavors to develop through actual contact with the churches those processes which seem to be most effective for disseminating missionary information and stimulating benevolent contributions. This process is so intimately related to the financial operations of the local churches that this latter interest is combined with the former, thus helping the churches to financial strength.

Information

The support of our Mission Boards depends upon current gifts, legacies and the income from invested funds. Through the Missions Council, donors, lawyers and trust officers are supplied with confidential and impartial information concerning the financial standing, fields of work, needs and opportunities of any or all Congregational Christian Corporations, including the General Council and its Commissions, the home and Foreign Missionary Boards, State Conferences, city extension societies and the local churches.

The local church may ordinarily secure information directly from its own state office. Persons not knowing to whom to write locally are invited to communicate direct with the Missions Council.

NORRIS WILSON.

Founded in 1810 to make possible the realization of the vision of the men of the Williams College "Haystack", the A.B.C.F.M. is the oldest foreign mission board in North America. Immediately upon its organization it invited the Presbyterian General Assembly to form a similar society with which it could co-operate, but the Assembly replied that one organization of the sort was enough and "urged its churches to adopt the American Board as their foreign missionary agency." The Baptist Missionary Union was formed when some of the first American Board Missionaries became Baptists. By 1826, the Presbyterians and the Reformed Church in America had developed the United Foreign Missionary Society, which in that year was merged with the American Board. The process of segmentation began in 1837 when the "Old School" Presbyterians left the American Board, followed in 1839 by the Central and Southern auxiliary boards. In 1846, "because of differences of opinion as to the Board's attitude toward slavery, some members withdrew to aid in organizing the American Missionary Association." In 1857, the Reformed Church in America withdrew to form its own Board and in 1870, the "New School" Presbyterians rejoined their "Old School" associates and transferred their support to the Foreign Mission Board which they had formed. Consistent with its early history, the Board throughout the fourteen decades of its existence has done much to promote cooperation in all of its fields.

Across the years, the Board has stood for four other great principles, and as it looks to the future it reaffirms its devotion to them:

Evangelism and the Christian Church. Every human being has the right to the Gospel of Jesus Christ as his highest boon. To give the Gospel to the nations is the supreme purpose of the Board. Just as cool water cannot be given to a thirsty man without the use of some container, so the Christian Gospel can best be communicated through the organized agency of the Christian Church. Hence, the Board works to extend the Church, the society of those who would live and serve in the spirit of our Lord Jesus Christ.

Christian Democracy. The Board proclaims the worth of every person because every person is a child of God. It believes in the brotherhood of man, regardless of race or culture. The Board strives for human freedom as an indispensable condition of human welfare, but insists that to be of high and abiding value such freedom must be the liberty of self-disciplined citizens. Genuine democracy, the Board believes, is the fruit of Christian character, both individual and corporate.

Education. In a sense, all missionary work is education. To some degree a person becomes a Christian through learning and appropriating something which he did not know before. The Board therefore looks upon the processes and institutions of education as of primary importance in the work of the Christian Church in every country. Moreover, the growth of democracy and of the Christian Church and community depend, humanly speaking, upon intelligent and devoted leadership by nationals of the countries concerned. To train leaders for every walk of life but especially for the Christian ministry and for the teaching profession must, therefore, always be a major concern of the Board and its missionaries.

High Standards of Service. American Board missionaries must be selected with the utmost care. Spiritually, intellectually, physically, practically, the tests must be high, for the East is asking the West to share with it the best exponents of its civilization.

As a consequence of its devotion to these principles, the Board has sought and seeks today:

- to plant and to foster in every land, churches that will be self-directing, self-supporting, and self-expanding;
- to permeate the life of the world in all areas and spheres of activity with the spirit of Jesus;
- to give life to a world shaken to its foundations;
- to exemplify the love of God before all mankind, until that love surrounds the earth, binding the nations, races and classes into a community of sympathy for one another, undergirded by faith in Christ.

The American Board is at work in fifteen missions in thirteen mission lands. Three missions are in Africa (in Southern Rhodesia, South Africa, Portuguese West Africa). Three are in China (in North China, in Foochow and Shaowu — both of Fukien province). Two are in India (in South India, in West India), and one in Ceylon. There are American Board missions in the Philippine Islands, in Japan, in Micronesia, in Mexico. The Near East Mission includes work in Bulgaria, in Greece, in Turkey, in Lebanon and in Syria. The Board supports also a Mission of Fellowship to Europe, with missionaries stationed at Chambon-sur-Lignon, Haute Loire, France.

In several other countries, including Czechoslovakia and Spain, the Board helps support the indigenous and independent work of former mission institutions.

The support of the work of The Board of Home Missions depends upon current gifts and the income from invested funds. Bequests and conditional gifts are earnestly solicited.

FORM OF BEQUEST — I give and bequeath to The Board of Home Missions of the Congregational and Christian Churches, a corporation organized and existing under the laws of the States of Connecticut and New York and of the Commonwealth of Massachusetts, incorporated in 1937, the sum of Dollars to be applied for the uses and purposes of said corporation.

The Board of Home Missions of the Congregational and Christian Churches has been appointed as agent by each of the following corporations. The field work of these corporations is now administered by this one Board, but the original corporations are still in existence and hold title to their own assets. Any bequests, therefore, may run directly to these corporations.

The American Missionary Association

Organized in 1846. Incorporated under the laws of New York in 1862

287 Fourth Avenue, New York 10, N. Y.

This Association pioneered in opening schools in the South, founding Hampton Institute, Fisk University, Atlanta University, and Berea College. It still supports substantially Talladega College, Tougaloo College, LeMoyne College, Tillotson College and Dillard University, as well as the following schools and community centers: Bricks and Lincoln in North Carolina, Dorchester in Georgia, Trinity, Lincoln and Cotton Valley in Alabama, Pleasant Hill in Tennessee, and Fessenden in Florida. The Association also assists financially the Congregational and Christian Churches, the Ryder Hospital of Puerto Rico and the Yuquiyu Community Center. The Department of Race Relations under the direction of Dr. Charles S. Johnson specializes in cooperative racial service and inter-racial conciliation in areas of Negro-white tension and misunderstanding.

FORM OF BEQUEST — I give and bequeath the sum of Dollars to The American Missionary Association, or its successor, incorporated by the act of the legislature of the State of New York in 1862 to be applied for the uses and purposes of said Association.

The Church Extension Boards

(Including the Congregational Home Missionary Society, The Congregational Church Building Society, and The Congregational Sunday School Extension Society.)

The Congregational Home Missionary Society

Organized in 1826. Incorporated under the laws of New York in 1871. Known up to 1893 as the American Home Missionary Society
287 Fourth Avenue, New York 10, N. Y.

Assists in the establishment of new churches at strategic points, and in the support of the Christian ministry where local resources are meager in an area which includes Alaska, Montana, Southern Idaho, Utah, Wyoming, North and South Dakota, Oklahoma, Texas, Louisiana and the District of the Southeast. Its service extends both to Negro and to white groups and includes work among Armenians, Finns, Germans, and Czecho-Slovaks. Its fellowship and counsel are available also to state conferences and churches throughout the entire country.

FORM OF BEQUEST — I give and bequeath to The Congregational Home Missionary Society or its successor, a corporation organized and existing under the laws of the State of New York, incorporated 1871, the sum of Dollars to be applied to the uses and purposes of said Society.

The Congregational Church Building Society

Organized in 1853. Incorporated under the laws of New York in 1853. Known up to 1892 as The American Congregational Union
287 Fourth Avenue, New York 10, N. Y.

Aids churches in every part of the United States by loan and grant to secure houses of worship and parsonages and to conserve church properties through assistance in refinancing; also gives helpful advice regarding business details, and endeavors to assist in maintaining worthy architectural standards. Since its organization, its "revolving funds" have aided churches to the extent of over fourteen millions of dollars, and parsonage loans have amounted to over a million and a half dollars additional.

FORM OF BEQUEST — I give and bequeath to The Congregational Church Building Society or its successor, a corporation organized and existing under the laws of the State of New York, incorporated 1853, the sum of Dollars to be applied to the uses and purposes of said Society.

Incorporated under the laws of Connecticut in 1885 as the Trustees of the National Council of the Congregational Churches, name changed to Congregational Board of Ministerial Relief in 1907
287 Fourth Avenue, New York 10, N. Y.

The object of this corporation is to secure, hold, manage and distribute funds for the relief of needy Congregational ministers and ministers of other churches affiliated, merged or consolidated with the Congregational churches and, after their decease, for the relief of their needy families. Approximately 600 pensioners are carried on the rolls of the national and state boards. In 1947 the average grant to a minister was \$288 and to a widow \$216. These amounts are supplemented by an annual Christmas gift and emergency grants as needed.

The Council for Social Action was created by the General Council at Oberlin in June, 1934. The motivating spirit behind that action is clearly indicated in the words of the vote:

"Stirred by the deep need of humanity for justice, security, and spiritual freedom and growth, aware of the urgent demand within our churches for action to match our gospel, and clearly persuaded that the Gospel of Jesus can be the solvent of social as of all other problems, we hereby vote:

"That the General Council create the Council for Social Action of the Congregational and Christian Churches of the United States of America.

That the purposes of this Council for Social Action shall be to help the churches to make the Christian gospel more effective in society, national and world-wide, through research, education, and action, in co-operation with the Home and Foreign Boards, Conferences and Associations, and local churches. It is proposed that the Council shall increasingly co-operate with the Federal Council of Churches in the creation of a program which shall be genuinely interdenominational. In its *research*, the Council will aim to be impartial, its only bias being that of the Christian view of life; its *educational* efforts will be directed primarily toward the local churches but will also envisage the cultivation of public opinion; in *action*, the Council may, on occasion, intercede directly in specific situations.

"That in launching this Council for Social Action we envisage a new kind of churchmanship which, enlisting the volunteer services of a group of eighteen outstanding men and women of social vision, wisdom, and Christian purpose, and commanding the services of five or six strong leaders in the fields of international relations, race relations, and economic statesmanship, will carry the campaign of education and action based on careful research out among our entire constituency at home and abroad. Believing that the church will find itself as it loses itself in the struggle to achieve a warless, just, and brotherly world, we launch this venture, dedicating ourselves to unremitting work for a day in which all men find peace, security and abundant life."

The Council for Social Action invites each church to organize a local committee or council for Social Action and welcomes the opportunity to co-operate with such local groups in planning for the larger effectiveness of the social program of the church.

The Council for Social Action invites correspondence from ministers and laymen.

Its purpose is set forth in its constitution as follows:

"Deriving its inspiration from the Divine Imperative to proclaim the Christian gospel to the world of men in deed as well as in word, the Congregational Christian Service Committee is dedicated to the following purposes:

"1. To implement the profound Christian concern of our people for providing relief; promoting physical, moral and spiritual rehabilitation; and effecting reconciliation among the members of a broken body of mankind where community has deteriorated through war or other social disasters.

"2. To work in areas of critical need, regardless of race, class, creed or nationality toward alleviating human distress through a mobile short-term emergency service."

The Congregational Christian Service Committee is an active member of the American Council for Voluntary Agencies for Foreign Service, CARE, Council of Relief Agencies Licensed for Operation in Germany, and joint councils of relief agencies operating in Greece and Italy. Work in the Field, 1947-1948

Over forty people have shared in Service Committee work in Britain. During 1947 eleven workers served in British Congregational missions and churches. Contributions in Britain have been the development of a national youth program and a growing participation in the International Congregational program.

Work in France has been carried on in the Protestant village of Le Chambon-sur-Lignon. A school created by the local pastor has received material aid and spiritual encouragement. Last summer ninety young Americans participated with youth from European nations in a work camp to construct recreational facilities and two prefabricated dormitories for the school.

In Greece service workers have conducted a summer play school, a feeding program for the aged, a milk program for children, and a clinic at Dourghouti. This work is done in co-operation with church and government agencies. In Elleniko, food and clothing have been distributed, and a clinic is provided. In Salonika, refugees from the north of Greece are housed, fed, and clothed.

The Italian program is centered in Naples, where Service Committee workers, with a staff of thirty-six Italian assistants, are carrying on a family rehabilitation program. Families formerly living in caves have received material, educational, and medical aid. Army barracks were secured, into which forty-two families were moved, and other homes have been made available by the Italian Government.

Three of our workers, appointees of Church World Service, are working with youth at Stuttgart, Vilbel, and Nuremberg in Germany.

The hotel in New York, at 110 E. 29th St., is providing a center of orientation for service workers and Congregational representatives from throughout the United States and the world.

Material aid, clothing, and food have been sent to England, France, Holland, Italy, Greece, Bulgaria, Germany, Austria, and Japan.

The Annuity Fund for Congregational Ministers provides age annuities for Congregational Christian ministers and incidental protection against the minister's permanent total disability occurring during the years of active service, and for his family in case of his untimely death.

Its resources are derived from payments by the minister himself, contributions of churches and individuals, legacies and conditional gifts and the distributable income of the Pilgrim Memorial Fund.

The amount of annuity at annuity age depends on the accumulations to a member's credit.

Assets, December 31, 1947, \$13,095,583 (of which \$844,674 represents Reserves and \$108,316 Endowment); membership including annuitants 4,030, a net increase during the year of 51; annuity payments, \$531,096. Contributions in the form of gifts and legacies are urgently needed to help in paying the churches' share of the annuities of the older members. The Annuity Fund for Congregational Ministers has an exceptional place among the private annuity funds for its soundness and its liberal benefits to members.

Established by vote of the National Council, October 13, 1917

287 Fourth Avenue, New York 10, N. Y.

The Pilgrim Memorial Fund, December 31, 1947 stood at \$5,136,123, in addition to which the accumulated profits from the sale of securities, held in a Profit Reserve Account, amounted to \$446,988.

Andover Theological Seminary has become affiliated with The Newton Theological Institution to form the new Andover Newton Theological School which is located at Newton Centre, in the vicinity of Boston. The combination of the two schools and the location, in greater Boston, make new and unusual advantages possible for theological students interested in taking their professional study in New England. The combined resources provided for an enrichment of the curriculum and an enlargement of the faculty. The library facilities are unexcelled.

The Andover Newton Theological School in affiliation with Harvard gives the students the privilege of taking work in Harvard open to theological students and without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country. As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country but from all over the world.

The co-operation of the churches in the vicinity offers many opportunities where, on the basis of co-operative scholarships, students can make their way and at the same time gain valuable and practical experience. The School offers scholarship grants, as far as it is able, to students dependent upon self-support and seeks to aid in securing for them church positions in which service can be given in return. Special fellowships are awarded to exceptional students.

The School grants three degrees: B. D., S. T. M., and M. R. E. The B. D. is granted after four years' study to students who have had a college course. The M. R. E. is granted to students with similar preparation after two years' study. The S. T. M. is granted after at least a year of graduate study and the presentation of satisfactory thesis.

The Graduate School of Theology provides an opportunity for college graduates to get adequate training for Christian service in the ministry of the church, secretaryship of the Young Women's Christian Association or Young Men's Christian Association at home or abroad, for leadership in religious education at home or abroad and for Christian social service in city or country communities. Throughout its history, though independent by charter, Oberlin has sustained a most friendly relationship with Congregational churches and work.

Equipment — In September of 1931 the School of Theology moved into its present quarters. It occupies a group of buildings designed by Mr. Cass Gilbert and made possible by the generous gift of two friends of the School, the late Mrs. D. Willis James and Mr. John D. Rockefeller, Jr. The theological group, built in North Italian style, is composed of two buildings connected by cloisters to form a quadrangle of unusual beauty and utility. The dormitory sections of this quadrangle provide apartments for married students as well as rooms for single students. Students in the School of Theology use the main library of Oberlin College which contains 464,459 bound volumes and as many pamphlets. The library files include the leading secular and religious newspapers and the leading monthlies and quarterlies. The Oberlin library is one of the largest college libraries in the United States. The library and seminar rooms in the theological quadrangle house about twenty thousand of the most active books in the theological section and the periodicals required by the theological students. The gymnasium, recreation rooms, athletic fields, and tennis courts provide ample facilities for exercise.

Terms of Admission — College graduation and church membership are required. Men and women of any denomination or race are admitted. This year 18 denominations are represented in the student body.

Degrees in Course — The degrees of Master of Arts, Bachelor of Divinity, and Master of Sacred Theology are given. Work toward these degrees is had in courses chosen from a broad range of offerings designed to provide the most adequate training for parish service at home and abroad.

Special Assets — Students in the Graduate School of Theology have the advantage of one of the most cosmopolitan colleges in America. They share in the university privileges and the scholarly standards and fine Christian ideals of Oberlin. Oberlin is a center of unique and broad missionary interests, and has contributed largely to the missionary forces of the Congregational Church. The Oberlin Conservatory of Music is one of the leading conservatories of the world, and makes available unusual musical advantages. Oberlin is equipped with a splendid Art Building, a fine Art Library, and an excellent collection of paintings and other art objects. Living expense is moderate and scholarships with the opportunities for self-help in the community make complete self-support possible.

ANNUAL STATISTICS OF THE CHURCHES

The statistics are collected by the Registrars of the conferences and compiled in the offices of the General Council. They are of date of January 1, 1948, and cover the year 1947. Changes in pastorates are corrected as far as reported until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries. Money received in any national, district or state office to and including January 10 is credited to the preceding year unless otherwise requested. Persons noting errors are earnestly requested to report the same to the Registrars of the conferences.

The schedules are arranged by conferences rather than by geographical state lines.

The tables are *not a postal guide*. For **addresses of ministers** and clerks refer to alphabetical lists in the back of the book. Names of Sunday School superintendents, church treasurers, treasurers of benevolence and chairmen of boards of trustees and deacons, are on file in state offices, as are also certain other data.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in **heavy-faced type**. If this postal word is an adjective it goes with the preceding name, *e.g.*, **Newton, West**, signifying West Newton

Abbreviations in schedule headings are:

"Ord." — Ordained

"Ab." — Absentee

"Cld." — Called

"C." — Confession

"Ma." — Male

"D." — Death

"To," or "T." — Total

"L." — Letter

Reference marks are used as follows:

[] Around a pastor's name signify he is not in full standing as a Congregational Christian minister, nor a denominational licentiate, nor an approved lay preacher, nor a candidate in care of a local association.

y Pastor serves more than one church. (See list of yoked churches in Conference Summary.)

i Pastor installed by Council.

— No answer can be given.

r Pastor recognized by Council.

Contribution amounts to less than 50 cents.

m Approximate number of men.

* Value of church property includes parsonage.

c Sunday School membership includes Cradle Roll.

★ Per Capita paid in full by church.

x Includes cost of new building or improvements.

[] When a church has made no report, items of membership in church, Sunday School and young peoples' organizations, also home expense and value of property, are inserted from the previous Year Book and marked [] in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. An *x* before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended will be given at the end of each conference schedule.

"Budgeted Apportionment": gifts for regular work of the denomination. "Unbudgeted Apportionment": gifts for projects *authorized* by the national boards and the states, which are *not* included in their budgets (*i.e.* Christmas Fund for Ministerial Relief). "Other Gifts": contributions made for objects *outside* the regular work and for authorized appeals (*i.e.* scholarships, mission boxes, local welfare work, Red Cross). Contributions to the Committee for War Victims and Reconstruction are listed in "Other Gifts" column and a complete report by churches is given on pages 57-82.

The Women's Sacrificial Gift is included in the apportionment columns of each state. The Unit Plan contributions are included under "Unbudgeted Apportionment." The state record of these gifts appears on page 288. The apportionment figures in the schedules are those reported by the state treasurers.

A Summary of the German Conference appears on page 115. The churches constituting this Conference are recorded, together with their statistical data, in the various state conferences with which they hold fellowship.

The Summaries give important data by conferences in Table I and national data by years in Table II. The less important items appear in the Supplemental Summary. Additional totals appear in footings of conference schedules.

For last minute revisions see page following Ministers in Full Standing list.

ANSWERS TO QUESTIONS ABOUT BENEVOLENCES

WHAT IS INCLUDED IN THE TERM "BENEVOLENCES"?

All gifts (from Churches, Sunday Schools, Young People's Societies, Missionary Societies, other organizations in the church and from individuals) for the work of the denomination as represented by the State Conference, American Board, Board of Home Missions, Annuity Fund, Council for Social Action and other denominational agencies.

HOW ARE BENEVOLENCES CLASSIFIED?

As Budgeted Apportionment, Unbudgeted Apportionment and Other Gifts.

WHAT IS BUDGETED APPORTIONMENT?

The several Congregational Societies make up their budgets for the year, anticipating estimated receipts from benevolences. All gifts, whether from living individuals or from organizations for the *regular budgets* of the agencies sharing in the apportionment plan, are credited to Budgeted Apportionment.

WHAT IS UNBUDGETED APPORTIONMENT?

All gifts whether from living individuals or from organizations for objects *specifically authorized* by the directors of a society or conference intended to cover needs of said societies and conferences, but outside the regular budgeted work, are credited to Unbudgeted Apportionment.

WHAT ARE "OTHER GIFTS"?

All gifts whether from individuals or from organizations for work outside the regular budgets and the authorized appeals of the Societies and Conferences. Sometimes responses to the appeals of missionaries for improvement, extension of work, scholarships and personal needs not authorized by the directors of a society or conference. "Other Gifts" may be reported to the State office and credited to the church, in the Year Book, in the column "Other Gifts."

WHAT IS THE APPORTIONMENT FOR EACH CHURCH?

The term applied to the total it seeks to obtain or which the Conference has requested it to raise. It is also the term for the amount reported in the Year Book as actually contributed.

HOW IS THIS APPORTIONMENT OBTAINED?

Through pledges. Through budgeting by the church. Through special contributions.

WHAT DOES THE CHURCH TREASURER DO WITH THE APPORTIONMENT MONEY?

Sends it to the State or District headquarters at regular intervals, monthly or quarterly.

WHY IS THE MONEY SENT TO THE CONFERENCE OFFICE RATHER THAN DIRECT TO THE SOCIETIES?

Because the State offices keep the church-by-church records of apportionment giving and are responsible for the annual report for the Year Book.

WHAT IS THE APPORTIONMENT YEAR?

The calendar year with ten days grace allowed. All remittances should be in the State office by January 10th.

WHEN FORWARDING MONEY TO THE CONFERENCE OFFICE IS IT NECESSARY TO DESIGNATE PARTICULAR SOCIETIES?

No, except in the case of designated gifts. The division is made by the Conference on the agreed percentage.

WHAT ARE DESIGNATED GIFTS?

Gifts specified for a particular Society or purpose. The Conference office should be advised of the designation. Credit is given as Budgeted, Unbudgeted or "Other Gifts" depending upon the classification.

WHAT INFORMATION SHOULD BE GIVEN FOR DESIGNATED GIFTS?

The amount. For what Society. For what purpose or object.

WHAT HAPPENS WHEN GIFTS ARE SENT DIRECTLY TO THE SOCIETIES?

The Societies report these gifts to the State office and if the *church* has been mentioned, credit is given. If no church is named, credit is given to the *State* under "Gifts — Church undesignated."

WHAT BECOMES OF THE BENEVOLENCES SENT BY CHURCHES IN THE MISSIONARY CONFERENCES AND DISTRICTS?

The State office makes remittances, usually monthly, sending 32% to Boston for the American Board and 68% to New York for the Board of Home Missions, Annuity Fund and Council for Social Action.

WHAT BECOMES OF THE BENEVOLENCES SENT BY CHURCHES IN THE SELF-SUPPORTING STATES?

The Superintendent or Treasurer makes remittances to the Boston and New York headquarters, based on the division determined by the Conference.

WHAT IS THE RECOMMENDED DIVISION OF BUDGETED APPORTIONMENT?

While the percentages for State, Home and Foreign work differ in the several states, the division recommended by the Executive Committee of the General Council, for budgeted apportionment, when the total is considered, is at present as follows:

States	32 %
American Board	32 %
Board of Home Missions	25 %
Annuity Fund	7 %
Council Social Action	4 %

WHAT IS THE PER CAPITA?

The Per Capita is the free contribution of the Congregational Christian Churches for the administrative expenses of the Associations, the Conferences and the General Council.

STRUCTURE OF THE NATIONAL ORGANIZATION

The vast and varied forces of the Congregational Christian Churches are coordinated into an effective unity by a simple organization comparable in outward form to the political organization of the United States. The Association, as it is usually called, roughly corresponds to the county, the Conference to the state, and the General Council to the federal government — except that none of these bodies has authority over any other. The whole is held together by sheer loyalty and the joy of fellowship in Jesus Christ.

The General Council maintains a national office in New York. See pages 5-14; for Treasurer's report, see page 11. This office attends to the gathering of national statistics and the issuance of the national Year Book. It serves also as a national clearing house for the Conferences and Mission Boards, and its officers are available for advice and counsel to churches and individuals. It represents the communion in interdenominational and international religious bodies, and in its relations with governmental and other secular agencies. The Council names denominational Commissions and Committees and assigns them their tasks.

The cost of administering these activities in behalf of the churches rests upon the churches themselves. The Council is not, as such, a missionary agency and in consequence receives nothing from the missionary giving of the churches, sometimes known as the Apportionment.

METHOD OF GIVING

The amount each church is asked to contribute is based on the number of church members reported in this Year Book, as voted by the General Council, the Conferences and the Associations.

Annually the treasurer of each church receives a statement from the Conference office requesting the amount as voted for the "Per Capita" or "Fellowship" dues. The figure is uniform per member for all the churches of that Conference or Association.

Since these funds are not for missionary work but for the expenses of the denominational organizations, they should appear in the budget of the local church as an "expense", rather than "benevolence", item along with regular expense entries for salaries, heat, light, repairs, printing, etc. Churches that have paid in full receive a star (★) in the Year Book as a mark of distinction and loyalty.

DIVISION OF THE PER CAPITA GIFTS

Beginning with 1947 the recommended Per Capita or Fellowship Dues is eleven cents per member. The Conferences are asked to designate two cents of this amount to the "Mileage Fund" to assist in paying the expenses of the delegates to the meetings of the General Council.

Nine cents are used for the administrative expense of the General Council; for supporting the work of the Federal Council of Churches of Christ in America; for the work of the World Council of Churches; and for the International Council of Congregational Churches, the world-wide organization in which the Congregational Christian Churches are partners and which is to hold a meeting in the United States as soon as world conditions permit.

THE RESPONSIBILITY OF FREEDOM

It is gratifying that, while the Per Capita is a wholly voluntary contribution, the loyalty of the churches to their free Congregational Christian fellowship makes the payment as dependable as the dues which are obligatory in other organizations. No penalty is attached for failure to pay, but prompt, full and cheerful payments are the rule because the churches regard them as a token of their belief in the ideals for which they and their sister churches stand. "We give not because we must but because we may."

LICENTIATES

List of pastors who have been reported as not having full ministerial standing. A new status, "approbation as lay preacher," is reported by a few states. The list also includes the names of all licentiates reported by state registrars whether or not they are serving churches. The Association to which a Congregational Christian licentiate belongs is noted as follows: "*Lic.-Chi.*" (licensed by the Chicago Association of the Illinois Conference), or "*Lic.-Conf.*" (licensed by state Conference). The abbreviations following the word "*Lic.*-" refer to Associations, the key to which may be had upon application to the Year Book Department, 287 Fourth Ave., New York 10, N. Y. or to the state offices. Note: The state, as well as the Association, is given when a licentiate lives outside the Conference which holds his standing. The designation "*Lic.*-" without further letters in italics, is applied to those whose standing has not been verified by any Association.

A list of candidates for the ministry, who are in care of a local Association, is appended to this list.

CONGREGATIONAL CHRISTIAN MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational Christian ministers and churches.

The following is a compilation of the lists furnished by the Conference registrars.

Ministers not in Congregational Christian pastorates are indicated by the inclusion of ordination date (or by a hyphen (-) if ordination date had not been reported) after address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place for this information. If the pastor is not in the schedule of the state in which he lives, he may have made a recent change in pastorate. Page numbers are given for those whose names appear on pages 7-43, and in the Necrology, pages 44-56, and in the record of 1947 Ordinations, pages 293, 294.

An asterisk (*) before a name indicates that the person is not now reported by any Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one holding body to another as well as for correction of errors.

A dagger (†) indicates that the address had not been verified, or is unknown.

Names of persons variously employed are indicated as follows: *A.B.C.F.M.*, see American Board of Commissioners for Foreign Missions, pages 340-344; *asso. p.*, associate pastor; *asst. p.*, assistant pastor; *bus.*, business; *Ch.*, chaplain; *coll. p.*, college pastor; *Dean*; *Dir. Project Your Message...

throughout the community
throughout the week . . .

with the matchless music
of the DEAGAN

CELESTACHIME

What greater additional service can
your church render than to provide a
means whereby the residents of your
community may receive spiritual com-
fort and inspiration seven days a week
instead of one or two . . . at home
and at work as well as in their pews?

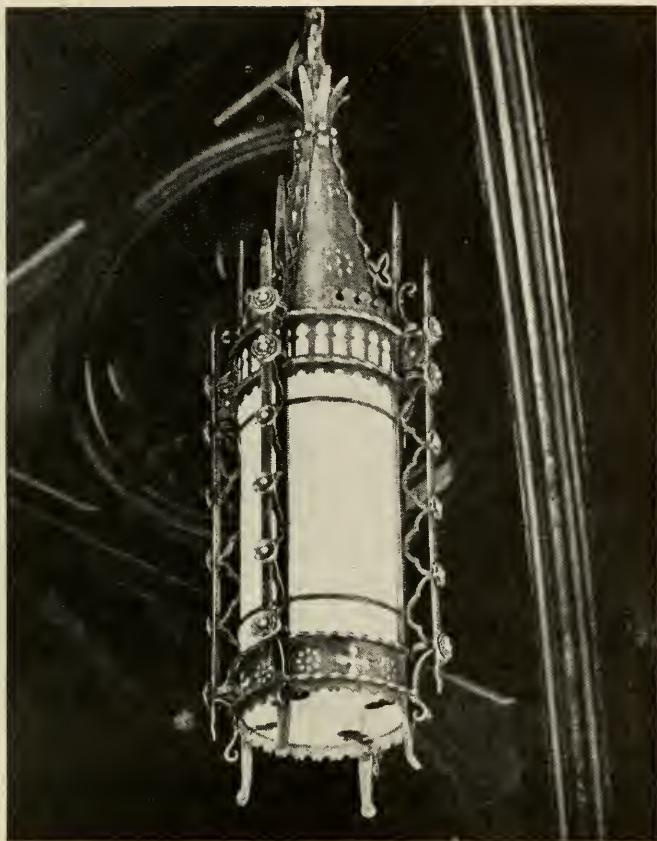

Your church can provide that oppor-
tunity by installing a Celesta-Chime,
the electronic tower chime made by
the manufacturers of the world-famous
Deagan Carillon. Through the match-
less melody of the Celesta-Chime, you
afford both your congregation and your
community the newest expression of
Christianity's oldest and most beloved
music . . . music that never fails to
touch the heart and inspire deep reverence.

Expand and enrich the service rendered
by your church by installing a Deagan
Celesta-Chime. Write to Dept. CY-48
today for complete information and de-
scriptive booklet.

For Long Life

When you think about purchasing a pipe organ, remember this: Your organ should be built for a long life of service, free from troublesome breakdowns and expensive replacements . . . Only the highest grade materials are used in a Möller organ. Lumber is carefully selected, dried, and treated to eliminate splitting and warping. Leather receives special tannings and treatments. Extra-heavy electrical contacts are at least 90 per cent sterling silver . . . When you select a Möller, you are selecting the best—for beauty; for long life.

As beautiful as the bells of Flanders
The New 61-note CARILLONIC BELLS

**Brings peace to the heart
 with harmony in the heavens**

THROUGH all the ages, the hearts of people have ever hearkened to bells. In good times and bad, their inspiring tones have been the very voice of humanity—proclaiming jubilantly in victory, tolling mournfully in defeat. In the magnificence of their message, they've lifted peasant to the stature of prince, given kings rich knowledge of their subjects' hearts.

This love of bell music has waned not a whit, but today the ideal instrument for giving it full expression is the 61-note "Carillonic Bells." With neither a great mass of bells nor a great tower to contain them, "Carillonic Bells" send forth the music of centuries in the most glorious tones imaginable.

The 61-note "Carillonic Bells" is not to be confused with chimes, nor with English type bells. It is a *carillon*, capable of whispering softness or tremendous volume; of unlimited harmony, rich and clear... a carillon any church or institution can afford. Write us for details—Dept. S-81.

The Music of Bells

The music of bells can set the loftiest thought patterns man is capable of grasping. The Postwar Liberty carillon, veteran of distinguished service in the army and navy chapels, is built to ring out the music of tons of finely tuned bells—*without bells!*—in multiple-part music played with artistic expression from its keys.

Its distinguished clientele from coast to coast is increasing so rapidly that production of Liberty carillons is approaching a volume greater than all other makes of similar tower sound equipment combined.

There is a reason—a *musical* reason—for this overwhelming preference. We invite you to consider it. Details will be sent to you by mail; or, if you prefer, a resident associate will call upon you.
